# AB Equipment Appointed as Premium Distributor for FUCHS Lubricants in New Zealand.

AB Equipment is proud to announce its new partnership with FUCHS Lubricants, becoming a premium distributor across New Zealand. This strategic collaboration combines AB Equipment's nationwide reach with FUCHS' global expertise in lubrication technology, delivering exceptional value to customers in every industry.

Through this partnership, AB Equipment now has full access to the complete range of FUCHS products, supported by the technical knowledge and resources of FUCHS' expert departments. Customers can expect world-class solutions designed to optimize performance, reduce downtime, and extend equipment life.

## BENEFITS FOR OUR CUSTOMERS:

- Access to FUCHS' globally recognized, high-performance lubricants
- Full product range available through AB Equipment's extensive network
- Backing of FUCHS' technical departments for expert advice and tailored solutions
- Enhanced product availability and faster delivery times
- Improved operational efficiency and equipment longevity
- Strong local presence with nationwide coverage and service support

The new partnership covers lubrications for key industries such as:

AUTOMOTIVE

FORESTRY

HEAVY-DUTY  
COMMERCIAL

CIVIL CONSTRUCTION

INDUSTRIAL SECTORS

## "Powering Performance, Driving Reliability – Together."

This partnership reinforces our shared commitment to delivering superior products and services that keep New Zealand businesses moving forward.

By combining AB Equipment's trusted reputation with FUCHS' innovation, customers gain a competitive edge through premium lubrication solutions and expert technical support.

# THE HEAVY DUTY PERFORMER

FUCHS TITAN CARGO 15W-40

Optimise how you service your diverse fleet, by consolidating your oil requirements with TITAN CARGO 15W-40 heavy duty diesel engine oil.

With the highest number of OEM approvals in the market, TITAN CARGO 15W-40 has been developed for broad coverage and premium protection to maintain equipment for longer.

# FREE FUCHS DRINK FLASK

Buy any box of FUCHS Grease 450g cartridges (12pk) from AB Equipment and receive a FREE FUCHS XT B2 500ml insulated drink flask!

Offer valid from April 1 to April 30 2026 or whilst stock lasts. . Limit of 1 bottle per transaction.

## Forestry Filtration - Now Available Through Fleetguard

Premium Protection.  
Proven Performance.  
One Trusted Source.

**These filters are suitable for forestry equipment and may also be compatible with other machinery.**

*For any applicable discount and cross reference check please contact your nearest branch.*

# DRILL RODS.

**Durability and performance is critical for drill rods. Delivering the same trusted quality, reliability and durability as the trusted Firestick drill rod, the Vermeer rod is a cost effective option that is built to perform.**

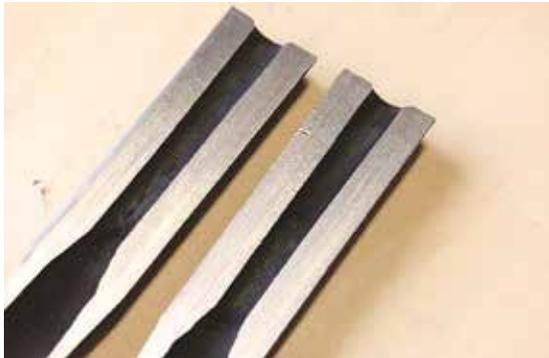

### **One Piece Forged Rod.**

Made with high quality steel for consistent strength, material integrity and minimises rod failure and downtime.

### **Triple and Simultaneous Connections**

External shoulder, precise thread engagement, and internal shoulder for enhanced reliability.

### **Large Internal Diameter.**

Helps support increased fluid flow with minimal pressure throughout the length of the drill rod.

### **Improved Rod Capacity.**

This is due to the reduced external diameter.

# WHY YOU SHOULD CHOOSE THREAD PRO LUBRICANTS.

+ Formulated to stick to threads and stay in place, even on wet joints.

+ No heavy metals like zinc or lead are used, minimizes environmental contamination and ensures regulatory compliance.

+ Used to lubricate threads, prevent galling and properly seal joints

# GENUINE **CUTTING COMPONENTS**

Reliable Solutions For Consistent Performance.

**CALL FOR A SPECIAL NETT PRICE!**

Genuine Vermeer chipper blades and cutter teeth are engineered to deliver consistent performance, long service life, and a precise cut you can rely on.

Manufactured to exacting standards, each blade and tooth is designed to work seamlessly with Vermeer chippers, helping maintain optimal chip quality while reducing vibration and unnecessary wear.

# ARES™

**It was time to turn it up. All new, from the ground up.**

## EAGLE TECH

The industry's first AI-powered locator uses an on-board neural network to automatically scan and select the optimal frequencies from the full spectrum. This full spectrum scanning covers 8,000+ frequencies—that's more than 8x the frequencies of Falcon.

## OVER-THE-AIR UPDATES

Your locator only gets better with time: connect to Wi-Fi to download major upgrades and features like Steering Past the Locator, which effectively doubles the target steering range.

## LOCATION TRACKING

Protect your investment. Mark as Stolen to lock your locator and receive GPS pings every hour, or use Silent Mode to secretly track it without alerting the thief.

## REDESIGNED SCREENS

More on-screen text, more supported languages, and visual step-by-step guides and warnings to help even your greenest crew member drill correctly.
